

## **Awareness cum Sensitization Programme**

### **21.02.2023**

On February 21, 2023, the Vigilance and Discipline Committee of Aizawl North College organized an awareness cum sensitization program in the core rooms of the History, Education, and Political Science Departments. The Chairman, Mr. K. Vanlalthaa, along with committee members and students from each department, attended the program.

During the event, Mr. K. Vanlalthaa, Vice Principal and Chairman of the Committee, delivered a speech emphasizing the disciplinary norms and principles of the institute. He appealed to all students to exhibit proper behavior and adhere to the college rules and regulations, aiming to uphold the principles and reputation of the college.

In response to recent lapses in discipline and unwanted incidents around the college, the committee outlined a plan of action. This includes conducting patrols within and around the campus to oversee and maintain discipline among the students.

The committee, newly constituted by the college authority, seeks the stringent cooperation of both faculty and staff in its future endeavors to address disciplinary issues effectively.
