

**DEPARTMENT OF GEOGRAPHY : GOVERNMENT AIZAWL NORTH COLLEGE
ANGANWADI VISIT PROGRAMME
(5th Semester Students)**

5th Semester Students of the Department of Geography have conducted field work to study selected Anganwadi centres within Aizawl City. This field work is aimed the students to understand the actual quality of the Anganwadi centres.

58 students are grouped into 8 groups and with few sweets and snack, they have visited the selected Anganwadis and interact with the students and the workers. From that study it is find out that the maintenance of quality of delivery of the centres are not upto the mark.
