One Day Training(ODT)

Reiek Peak

One Day Training was held at Reiek Peak .We hired two buses and left from college at 9:15 am, more 70 members from our club attend the training and many of our leader from Student' Union & our college club OB's , including LYAC EX-OB's present in the training . On this day Rappelling and Caving were done on this event. A full- on competition among the member was also held here.

Club members took training in various challenging and exciting activities. These activities helped and strengthened teamwork as well as personal accomplishment. They feel full of energy, enthusiasm and fulfillment during the entire training. After completing the training everyone in our club member succeed the training & accomplished the mission and gain many knowledge in Adventure spirit. They energetically completed the activities and no task was left undone.
