SEMINAR/ORIENTATION PROGRAMME ON MENTALLY CHALLENGED CHILDREN

Education Department, GANC organized seminar/orientation programme on mentally challenged children for the second time on 13th February 2023. The programme was started at 11:00 am in Room 405.

The programme was chaired by Dr Angela Zoramthangi, HOD, Deptt of Education.

The programme started with a welcome speech by our respected Principal, Mr Haukhanlian Mate. Then Mrs Thanchhungi Hmar, a faculty member, introduced our Resource persons to the attendees. This was followed by an inspirational speech by our Resource Person Mrs Lalnunsangi, the special educator. She explained the causes, needs and treatment needed by mentally challenged children. Then our second Resource Person Dr Lalhmingliani, Superintendent of Rephidim Home explained how to treat these youngsters in our society and suggest ways to improve their condition. She also invited the students to visit the Rephidim Home, to study their behaviour through interaction with them at the centre which was greatly help them in understanding the children with different disabilities and at the same time serve as an enrichment to their studies.

Then, faculty member, Mrs Lahlimpuii rendered a vote of thanks. The program ended with a prayer offered by the chairman.
