

DEPARTMENT OF GEOGRAPHY : GOVERNMENT AIZAWL NORTH COLLEGE
ANGANWADI VISIT PROGRAMME
(5th Semester Students)

5th Semester Students of the Department of Geography conducted field work on 8.9.2023 and 21st.9.2023, to study selected Anganwadi centres within Aizawl City. This field work is aimed the students to understand the actual quality of the Anganwadi centres.

58 students are grouped into 8 groups and with few sweets and snacks, they have visited the selected Anganwadis namely Hunthar veng, ITI, Salem, Zemabawk, Tuivamit, Edentharr, and Chaltlang and interact with the students and the workers. From that study it is find out that the maintenance of quality of delivery of the centres are not upto the mark.
