

The Department of Geography, GANC organized a Career Guidance Webinar on November 7, 2020. The webinar featured Mr. Eric Lallawmpuia, IES, a distinguished professional from the Government of India, who shared valuable insights and advice related to career paths. Additionally, Dr. H. Laldinmawia, Assistant Professor, chaired the webinar, ensuring a fruitful and informative session for all participants. More than 250 students have joined the webinar.

Such webinars play a crucial role in helping students make informed decisions about their future careers. It's commendable that the department took this initiative to guide and inspire students toward successful professional journey.
