

REPORT ON SECOND HAND BOOK PROJECT

With the initiative of the Vice Principal Dr. Saroj Laldinpuii, a new trend emerged in the college.

As the new session begins, students are now able to buy second hand book at a reasonable price. A corner is set up in the Vice - Principal's chamber where students come every day looking to sell and purchase books.

With the increased demand for textbooks, supplementary books, this new trend has ushered in development opportunity which is highly appreciated by the students as well as faculties of the college.
