

# **PARENTS FEEDBACK ANALYSIS**

**(2013-2017)**

Government Aizawl North College is a co-educational higher institution of learning, designed for the training of youth in preparation for life and service to mankind. It seeks to produce men and women of refined character, fruitful to the society and the nation, educated in a truly educational setting. Parents are important parts of this process and their involvement is important to us. Therefore, we have prepared parents form - which is available at our college website [www.ganc.mizoram.gov.in](http://www.ganc.mizoram.gov.in). All the information returned in the questionnaire will be used purely for the purpose of quality improvement of the college programme and will be treated as strictly confidential.

The Government of Aizawl North College welcomes feedback from parents at any time. Casually, the college receives letters and phone calls from parents and local guardians. Since majority of our students are composed of rural background from various part of Mizoram, many of their parents do not have proper knowledge to access internet. Lack of English knowledge is also an issue. Therefore, the IQAC committee proposes Parents-Teacher Meet to be organized in 2016. Since then - parents were invited to attend a special Parents'-Teacher Meet. The meeting was held in the college campus. Through PowerPoint presentation made by faculty member, parents/guardians were informed about the performance of students in their previous examinations.

This was followed by a lively discussion between parents and teachers regarding the performances and suggestion for improving their ward. Questions, suggestions, recommendations and many others have been discussed over a cup of refreshment. Both parents and teachers are enlightened in many ways for future plan for college activities. Parents were requested to give a feedback which they responded positively. Some informed the faculty members that Parents'-Teacher Meet should be held on regular basis. Parents-feedback collected during the meeting is compiled and analyzed.
