7.6 Any other relevant information the institution wishes to add. (for example SWOT Analysis)

- ❖ **Strengths** – In terms of students’ intake, the college is now the largest Arts stream college in Mizoram. Unity in diversity- most of our students are composed of diverse backgrounds. We not only give preference to students with good social background but we also give special considerations to students from far and remote areas. It is part of our job to take care of low-income background students.
- ❖ **Weaknesses** – Lack of infrastructures remains the biggest challenge. The college campus is located in a tight congested space. Since building construction is undergoing, the college is not able to provide sufficient office rooms, classrooms and recreational room for students.
- ❖ **Opportunities** – Students with diverse background give us an opportunity to develop and expand our experience in many ways. Competitive atmosphere give us a chance to expand in various ways. College construction is undergoing at a very fast rate.

8. **Plans of institution for next year**

1. To increase the number of students intake.
2. To improve students’ pass percentage.
3. To organise more seminars/career orientation for students.
4. To increase infrastructural development.
5. To utilize RUSA funding as productive as possible for the improvement of new construction, infrastructure development and Equity initiative.

# TWO BEST PRACTICES ADOPTED BY GOVERNMENT AIZAWL NORTH COLLEGE

(2016-2017)

The two best practices adopted by the Govt. Aizawl North College during 2016-2017 are under the following:-

### 1. Best Practice No.1

**a) Title: *Introduction of Career Oriented Programmes:*** In collaboration with National Institute of Electronic And Information Technology (NEILT), the college introduced Certificate Course on Computer Concept (CCC) on 1<sup>st</sup> September 2016. The programme was initiated so that students can enhance their knowledge and skill on basic computer knowledge for their future career. Along with CCC diploma course, the college also introduces 'Language Laboratory' in which students can attend spoken English and Hindi classes for free of cost.

**b) Objectives of the Practice:** The main objective of the practice are:-

- ✓ To enhance the language and computer skill of students for their future benefit.
- ✓ To equip students with language skill in English and Hindi for job enhancement and personal development.
- ✓ To introduce ICT knowledge essential for college studies as well as future career.

**c) The Context:** Majority of students' intake to the Government Aizawl North College have been composed of rural background from various parts of Mizoram without any basic computer skills. The costs of private run Computer course are generally high and time consuming. Therefore it becomes a burden for many students especially from low income background. Government Aizawl North College-NIELIT Computer Study Centre charges only a minimal of Rupees 950/- for the CCC course.

The Government of Mizoram implemented a new regulation that basic computer knowledge i.e Diploma Course is made compulsory for entry level in government job. Keeping in mind these requirements and needs of the students, the Certificate course on Computer Concept (CCC) programme has been initiated by the College mainly to enhance basic computer knowledge of students so that they can apply for job right after graduation from this college.

Time and space constrain could prevent students to pursue additional course. The introduction of Certificate Course on Computer Concept (CCC) by this college provided an opportunity for the student to pursue diploma certificate course within the college premises.

As far as the introduction of language (Spoken Hindi and English) is concerned, there is a concern by Mizo public that students qualified in UPSC (Union Public Service Commission) exams are getting lower and lower. What would be the reason? What would be the solution? What would be the improvement? The college takes initiatives that language skills could be an initiatives to help students in their career in pursuing their dreams. Moreover, Hindi is the

official language of India. As an Indian, speaking in Hindi would help us not only for personal growth and development, but also integrates us better in the Indian society. Taking this critical point into considerations, the college introduced language courses (Hindi and English) for B.A students for free of cost.

**d) The Practice:**

Government Aizawl North College-NIELIT Computer Study Centre had been started in the month of 1<sup>st</sup> July 2016. Two CCC course had been completed in 2016 with an intake capacity of twenty(20) students in each batch. Hence, forty(40) students benefited the programme in the year 2016. Class arrangement/shifs have been arranged by coordinator so that students can choose their free time to attend the classes without disturbing their normal classes.

In 2017, five(5) shifts of one hour each had been started for each course while reserving the first two shifts for youth from outside the college.

Shift I - 10 am – 11:00 am  
Shift II - 11:15 am - 12:15pm  
Shift III - 12:30pm – 1:30 pm  
Shift IV - 1:45pm – 2:45pm  
Shift V - 3:00pm - 4:00pm

As such a course of 3 months was made to take up to 100 students consisting both students of the college and from outside the college including alumni members.

Spoken Hindi and English are open on every Friday evening. The programme is sponsored by RUSA of this college. Student enrollments in one class are 60-70 aprox.

**e) Problems Encountered and Resources Required:** Some of the problems encountered are :

- ✓ Congested room
- ✓ Unstable power supply has been one of the main obstacles.
- ✓ Hardware problems in the computer had been seen often.
- ✓ Only one faculty has been appointed. The 5 shifts offered in a day seem too heavy for one person to handle.
- ✓ Computer crashes had been witnessed. There is lack of fund for maintenance of these computers, purchase of computer parts and service charges have to be met.
- ✓ More equipment such as power-backup equipment need to be made available.

Due to regular normal classes, the time allotment for spoken and Hindi cannot be regular due to regular Semester classes. Lack of sufficient classroom and lack of funding are also one of the main issues. Despite these constraints we are very grateful that the programme is running continuously till the report is being prepared.

**f) Evidence of Success:** Base on the enrolment number, about 50 students already benefited the Computer Diploma Course. The study centre also extends to the youths from outside the college. Quite a number of learners had been admitted from the adjoining areas, and for the students of the college who had already completed their graduation. It is a pleasure to mention that many students have been equipped for jobs both in the public and private sectors with required certificate along with the regular BA certificate. Spoken Hindi and English classes are attended by 60-70 (aprox) students.

**2. Best Practice No.2 :**

**a) Title: Student Initiatives: Laisuih Literature Club, and Zoawi Cultural Club**

Within the reporting period, students initiated the formation of two new clubs namely Laisuih Literature Club and Zoawi Cultural Club.

**b) The Context:** Cultural practices are symbol of our identity. Students play an essential part of it. Students intervention promotes integrations, improved self-esteem, restores sense of responsibilities and fostering civic bonds. Students Clubs are also essential for students growth at college, state and national level. Students involvements also contribute to society as a whole. Students from this college also took part in various competitions such as essay writing, cultural dance, inter-quiz, debate, extempore speech, traditional songs etc at the university and state level.

**c) Objective of the Practice:** The main objectives of this practice are:

- ✓ To maintain students integration through literature and cultural practices.
- ✓ To showcase student talent in the field of literature and cultural.
- ✓ To achieve more success in state and national level.
- ✓ Perform community service.

**d) The Practice:** A group of students initiated the formation of Literature Club and Cultural Club in 2015-2016 sessions. The matter was finally materialized in 2016-2017. The function and organization of these two clubs are entirely arranged and managed by students along with one faculty in charge. Since its inception the two clubs have been working alongside with Students' Union body, Evangelical Union, Lengteng Youth Adventure Club, History Club, NSS, NCC etc. Membership is open to anyone who are interested in promotion and upholding of cultural practices and literatures. The cultural club used to practice cultural dances in their class-off periods. The clubs accept students for membership all throughout the semesters.

**e) Problems Encountered and Resources Required:** Some of the problem encountered are the following:

- ✓ Lack of space in the college campus prevented the establishment of separate hall for - practicing cultural practices as well as literary meet.
- ✓ Lack of funding remains one of the main problems. During the reporting period, Cultural club approached and requested RUSA committee to purchase traditional Mizo Cultural attires that is yet to be materialized.

**d) Evidence of Success:** The Cultural Club already participates in a number of cultural events at the college and State level. They are actively involved in college functions such as fresher social, week closing day, teachers' day etc.

**Another Success Report: Students' Self Support Union (SSU):** Besides, Laisuih Literature Club and Zoawi Cultural Club, another important initiatives taken by the student of this college is **Students' Self Support Union (SSU) affiliated to state level Students' Self Support union Headquarters (S.S.U)** on 26<sup>th</sup> October, 2016.

The first Students' Union Support Union first Office Bearer of 2016-17 are the following:

President	: Darhmingmawia	(5 <sup>th</sup> Sem)
Vice President	: P.C Lalawmpuii	(1 <sup>st</sup> Sem)
Treasurer	: Rebecca lalhlimpuii	(5 <sup>th</sup> Sem)
Finance	: Zothanpuia	(1 <sup>st</sup> Sem)

The main objective of Students' Self Support Union is to help students to support themselves and to promote labour within students. The motto of the SSU is '*Zirna atana mahni intodelh*' which can be roughly translated as 'self support for studies'. SSU made a plan to give 'Students' Self Support Award' every academic year.
