As mentioned earlier, the various Committees undertook various steps in promoting the college activities thereby strengthening the sources of the IQAC. It would not be inappropriate to mention here that the IQAC is immensely grateful to the Monitoring Unit, RUSA, Govt. Aizawl North College for the financial support it has given to the various Committees without which the organising of different seminars and activities would not have materialised. A brief report on some of the activities taken by the various Committees are as follows :-

1. The Committee on Collegiate Student Grievances Redressal, organised two seminars, namely, on World Mental Health Day, on the 10th Oct.2019, and Legal Awareness Campaign on the 11th Feb. 2020. Mr. Moses Lalremruata, Mental Counsellor of Mindgroom Ltd, Delhi, Mizoram Unit graced the programme as speaker at the seminar organised on World Mental Health Day. The programme on Legal Awareness Campaign was sponsored by Mizoram State Legal Services Authority. Here, two resource person, Mr. Johny L.Tochong and Mr. T. Lalnunsiamia delivered lectures on Cyber Crime and Fundamental Duties and Child Friendly Legal Services(POCSO Act).
2. The Committee on Governance, Leadership & Management too organised two seminars, namely, Awareness on Drugs and Substance Abuse, on the 22nd Oct. 2019 and a seminar on National Voters Day, the 25th Jan. 2020. The resource person on Awareness on Drugs and Substance Abuse, Dr. Samuel Lalarlawma, delivered a speech on the different uses of drugs and its consequences. National Voters Day was also observed, where Dr. C. Lalhmanmawia delivered a speech on the importance of voting and voters' rights. Pledge prepared by the Govt. of Mizoram, was also taken by all student and faculty participants.
3. World Youth Skills Day was also observed by the college on the 15th July 2019, where a seminar was organised by Placement Cell. Here, Mr. V.L. Zahawma, Regional Manager, Mizoram Rural Bank, as a resource person delivered encouraging speech on career guidance and on method of building job opportunities.
4. Innovations, Environment and Social Services Committee organised a Cleanliness Drive at the college campus on the 2nd of March, 2020. Here, three NSS POs and members of the committee supervised the programme and around 250 students participated in the social service. The contribution made by the Lengteng Youth Adventure Club cannot be ignored since scaling of the college building walls is necessary in order to clean them and this could be done only through their involvements.
5. World Humanitarian Day was also observed at the College Campus on the 19th of August, 2019, and a seminar was organised by the Equal Opportunity Cell. Dr. Lalhmingliani Ralte and Dr. C. Lalhmanmawia delivered a speech on this occasion.
6. The college also observed the International Mother Tongue Day on the 21st of Feb. 2020 by organising a Regional Seminar on Mother Language. The seminar was jointly organised by the Students Support and Progression Committee and Ek Bharat Shreshtha Bharat Club, GANC. Here, Prof. Laltluangliana Khiangte, MZU, graced the seminar as a resource person.
7. The college, under the initiative of the IQAC, has an adopted school at Sihhmui village, Aizawl District. The 6th Semester, core students of the different departments would take turns to visit the Adopted School once in a month to help the teachers of the school and which in turn the school also acted as a good source of practice teaching, benefitted by the college student participants.
8. The IQAC has also started introducing the Mentor - Mentee system in the college by the beginning of 2020 so as to help the students in their studies. Each faculty members, as mentors, are allotted a certain number of students, as mentee, where the mentor tries his/her best to help the mentee in all walks of life.

Besides the mentioned activities of the various committees, departments in the college and other statutory bodies like the Women Development Cell, Examination Committee, Library Committee etc has largely contributed in organising events like seminars, workshops etc which are most essential to the development of the college and in particular to the IQAC for maintaining a steady quality sustenance measures to meet the requirement of NAAC.
